"I went from being a shy girl who hated the thought of exercising to a girl who wasn't afraid to speak in front of crowds or to trek up a mountain with a 30lb backpack. The unforgettable experience made me want to stay as a volunteer even after the program."

– Jessica Yeung, Bronze Graduate 2009

Youth Leadership Millennium

The S.U.C.C.E.S.S. Youth Leadership Millennium (YLM) program empowers youth to take on leadership roles in their personal lives and community. We strive to offer youth the skills and competitive edge required for successful personal, relational and community growth. Through the Bronze Program, participants use hands-on learning to develop mentor and peer-to-peer relationships based on compassion, engagement and social awareness.

“I was amazed to see my young daughter develop her problem solving skills, independence and professionalism through the 7 months. YLM offers a unique and rewarding experience that I really think would be difficult to find elsewhere.” -Karie Lee, Parent of 2 Bronze Graduates 2012 & 2015

“Through public speaking sessions and group projects, I was able to improve my communication skills, and the adventure expedition allowed me to see my own potential and to recognize my limits, both physically and mentally!”

-Gordon Lin, Bronze & Silver graduate 2014/2015
