- Admission representatives from hundreds of colleges and universities are available to speak with students one-on-one concerning the university admission process and university life in general. A list of participating colleges and universities is available on our website at <http://bit.ly/NCfExhibitorSearch>. This link is case sensitive.
- The Vancouver International Universities Fair includes a counseling and resource center comprised of skilled professionals and partners who can assist parents and students in navigating the university admissions process.
- Workshops are held to address standardized testing, the university application process, student athletes and other topics relative to the university search process.

We encourage you to promote this valuable event to your students. Included are **two International Universities Fair posters** to help you in publicizing the fair. Posters and flyers are available for download and print in English as well as in Spanish on our website at www.nacacnet.org/ncfpublications.

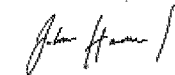

Please have your students preregister for the Vancouver International Universities Fair online at www.gotomyncf.com (see back of this letter for detailed registration instructions). The printed barcode will enable colleges and universities to collect student data for follow-up and allow your students to utilize their visit to the fair efficiently. Registering for the International Universities Fair is a simple 3 step process:

Step #1

Attendees log onto www.gotomyncf.com
prior to attending the fair.

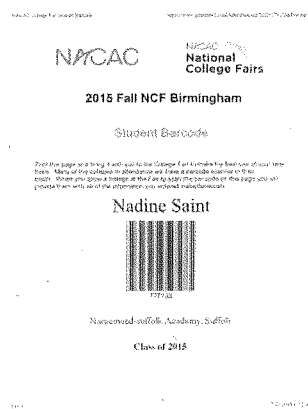

Attendees will be asked a few short questions about their educational history and goals

Step #2

After they complete the online registration, they can print the barcode identification.

Bring this
with you to
the fair !!

Step #3

Universities will scan the attendee's barcode to access their information, allowing more time for one-on-one conversations.
